ALLEGATO 1

A. PROJECT TITLE (max 120 char)
A.1 English
A.2. Italiano

B. RESEARCH LINE and SUMMARY DESCRIPTION
B.1 English (max 2.000 char)
B.2 Italiano (max 2.000 char)

C. BACKGROUND/STATE OF ART (max 5.000 char)
- Provide the key information on the topic of the proposal

D. HYPOTHESIS AND SPECIFIC AIMS (max 30.000 char)
Define the rationale of the project, the preliminary work that support the proposal. Delineate a sharp experimental design with main or innovative methodologies, and organized it into work-packages. Define responsibilities and interactions among participants (who is doing what).
D.1. Hypothesis and rationale
D.2 Preliminary data (if available)
D. 3 Specific aims
D.4 Work-packages
D.5. PERT chart

E. EXPECTED OUTCOMES AND DELIVERABLES (max 3.000 char)
- Define the outcomes the project will reach and payable milestones

F. INNOVATION (max. 3.000 char)
- Define the innovation potential of the project, highlight the novelties the project will bring to the scientific and human society.
F.1 New technological developments
F.2 Innovative procedures

G. RISK ANALYSIS, POSSIBLE PROBLEMS AND SOLUTIONS (max. 2.000 char)
- Highlight possible internal and external risk factors and delineate a contingency plan

H. DESCRIPTION OF THE COMPLEMENTARY AND SINERGY RESEARCH TEAM (max. 4.000 char)
- Highlight the interdisciplinarity of the project and interactions. List national and international collaborators (if available)
- H1. Description of the Research Units and definition of PIs.
- H2. Relevant collaborations (if available)

I. BIBLIOGRAPHY
- *References in PubMed Style*

L. TIMELINE (GANNT CHART)
- Define timeline on three-months period

M. EQUIPMENT AND RESOURCES AVAILABLE (max 3.000 char)

N. BUDGET

N.1 Breakdown per Unit

COSTS	TOTAL BUDGET
1. Researchers' contracts	
2. Equipment	
3. Supplies	
4. Subcontracts and services (e.g. animal housing) *(max 20%)*	
5. IT Services and data bases	
6. Publication costs *(max 2%)*	
7. Training & Dissem. (e.g. meetings) *(max 5%)*	
8. Coordination costs	
TOTAL	

N.2 Budget Breakdown per Year

COSTS	YEAR 1	%	YEAR 2	%	YEAR 3	%
1. Researchers' contracts						
2. Equipment						
3. Supplies						
4. Subcontracts and services (e.g. animal housing) *(max 20%)*						
5. IT Services and data bases						
6. Publication costs *(max 2%)*						
7. Training & Dissem. (e.g. meetings) *(max 5%)*						
8. Coordination costs						
TOTAL						

N.3 Budget Justification (selected items)

1. Research Contracts. For each contract specify:

   Role on Project: Annual Effort %:
   Name (if available):   Degree:
   Type of Contract: Is this Contract already active?

2. Equipment. For each instrument specify

   Description: Running Costs: yes/no

4. Subcontract and services. For each subcontract or service specify:

   Justification: Recipient:

N.4 Additional financial support and co-funding.
- List the available CURRENT OR FUNDED grants/funds from private or public organization for co-funding. For each support:

Granting Agency: Title of the Project:
Start Date: End Date:
Gross Amount: % Available to this project:
Brief Description (max 800 char):   Specify Overlaps with this Application (max 800 char):
